FACIAL TISSUES

Concentrated Dishwashing Liquid

Concentrated dishwashing liquid contains powerful cleaning agents that quickly penetrate, soften and remove heavy grease and stubborn dried food. Long lasting suds clean more dishes completely and yet mild on hands.

Oven and Grill Cleaner

Liquid alkaline, solvent and organic detergent formulated to dissolve greasy food soils. Used concentrated for ovens, hoods, grills, broilers and deep fryers. Do not use on aluminum or painted surfaces

Bleach

Stable sodium hypochlorite bleach for sanitizing dishes in the final rinsing stage by preparing a sanitized solution containing (50-100) PPM chlorine

Fruit and Vegetable Sanitizer

Effective food-grade sanitizer without any hazardous additives to clean and sanitize fruits and vegetables, especially those that may have been contaminated. Keeps produce fresh longer by reducing rot

Alcohol Gel Sanitizer

70 - 80% ethyl alcohol based sanitizer. Instantly kills bacteria on skin without water, soap, or paper towels. Ideal for healthcare centers and food preparation areas

Stainless Steel Polisher

Oily formula designed for polishing stainless steel, aluminum, brass, copper and most metal surfaces. When applied as directed, cleans and restores a high luster, leaving a protective coating to prevent surface tarnishing

Surface Sanitizer

Cleans and sanitizes hard, non porous, food contact surfaces with ready to use sanitizer. Ideal in food service establishments, schools, dairies, processing plants, etc.

Glass and Surface Cleaner

Cleans glass, stainless steel, chrome, mirrors, tile, plastic. Ceramic and enamel and leaves a streak - free finish, effectively removes finger prints, light oils, and other soils

Acidic Bathroom Cleaner

Cleans, de-scales, deodorizes, and sanitizer. Contains acids that remove toilet stains and hard water deposits, used with spray bottle to remove soap scum, mildew and oils from bathroom surfaces

Floor Fragrant Gel

The floor fragrance gel is used to give aromatic aroma to all washable floors with water. It is also used to remove odors from bathrooms and water drains by leaving the surfaces clean with a refreshing smell

Wood Floor Cleaner

Non-alkaline cleaner, specifically designed for use on sealed wood floors. Safely removes dirt and soil from sealed wood floors, restoring their natural beauty and shine

CHEMICALS
